Mayor's Column

Further to the last Annual Ratepayers meeting and the question put forward by Mr. Geo. Walker in regard to the mills required for debenture debt charges, I would like to report the following:

The Town and Village Act provides that Council shall, each year, by by-law, authorize the Secretary-Treasurer to levy upon the assessed value of all assessed property shown on the Assessment Roll, a tax at such uniform rate on the dollar as the Council deems sufficient to produce the amount of the expenditures as are estimated by the Council, to produce the sums necessary to meet debenture instalments falling due during the year. The Act clearly indicates, therefore, that the provision for debenture payments must be made from taxation revenue and that revenue other than taxation cannot be used

Last Wednesday evening the first in a series of sessions on Leadership was held at the Clubhouse, and although the turn-out was very disappointing as far as numbers were concerned, the results were most gratifying. The enthusiasm displayed by those in attendance was far keener than expected.

Mr. Stan Powers, the scheduled speaker, was forced to cancel his engagement owing to illness. However, at the last minute a suitable replacement was secured and the session proceeded smoothly. Our guest speaker for the evening was Professor Gerald Wright of the Univer-

A large number of interested residents attended the official opening of the one million dollar St. Albert High School, at which the Honourable E. C. Manning, Premier of the Province of Alberta, was guest speaker. Other dignitaries present were: Mrs. E. C. Manning, the Honourable Marcel Lambert, M.P., Keith Everitt, M.L.A., His Worship Mayor Richard S. Fowler, Father LaFrance, Mr. W. J.

for debenture instalments. This, of course, is a safeguard to the Town to make sure that it will have sufficient funds to meet the debenture payments and that it does not have to rely on other income which may not materialize.

The mill rate for 1966 was 62 mills and of this amount, 13.6 mills was required from taxation revenue to meet the 1966 debenture debt charges, 13.6 mills is equal to 21% of the tax levy.

If we take into consideration all revenues of the Town, that is taxation revenue and miscellaneous revenue, we find that the 1966 debenture debt charges equal 15%.

The answer to Mr. Walker's question is therefore as follows:

21% of taxation revenue is required to meet the debenture payments, or 15% of the total revenue.

Bennett of Bennett Construction, and Mr. John McIntosh, Architect.

The school was happy that Mr. Marcel Lambert could attend their opening celebrations not only as a distinguished member of parliament, but as a former St. Albert student.

Chairman of the Board, Mr. D. Fraser paid tribute to the School's teaching staff, who worked under very trying conditions while the school was being taken over "a wing at a time." Mr. Fraser said only three years ago the spot now occupied by the school was a barley field.

Mayor Fowler, bringing greetings from the Town of St. Albert, noted that it was appropriate that the Board chose the North Hill as their building site, as 106 years ago Father Lacombe built the Town's first institution on this Hill. The Mayor expressed hope that in a few years time Mr. Manning would once again come to St. Albert to officiate at the opening of an institute of learning, such as perhaps the University of St. Albert?

In his address the Premier said he at times feels envious of the fine facilities available to students now. Mr. Manning recalled the one-room school where he received his elementary education. That school, Mr. Manning said, was built at a cost of \$3,000, and provided education to 36 students who were taught grades one to nine by one teacher.

The Premier presented a picture of Mount Eisenhower to the School's Principal, Mr. W. Soprovich, Mr. W. T. Ben-

nett made the Presentation of Keys to Mr. Fraser and Mr. John McIntosh presented the Board with a picture of the new school which will be hung in the lobby area. The St. Albert High School Chorus, under the direction of Father U. Duchesneau, entertained with several vocal selections.

Following the program visitors toured the new building assisted in each area by students who were available for discussing courses, demonstrating equipment and answering questions. An opportunity for visiting between visitors and staff was provided over coffee, also served by the students, to complete an enjoyable evening.

Dr. Dolman panelist at NDP Convention

Dr. Norman G. Dolman of St. Albert, vice-president of the Provincial N.D.P. organization, will chair a panel on taxation at the NDP Convention being held Friday evening, Saturday and Sunday of this week. The Provincial Convention has attracted national leader Tommy Douglas who will speak at 7:30 Saturday evening in the Chateau Lacombe. Laurier Lapierre, who was also to attend has hurt his foot and will not be able to attend.

Garth Turcott, the party's

one member in the Alberta Legislature, will speak at the opening session of the convention at the large ballroom at the Trocadero, Friday evening. Mr. Turcott, a lawyer from Pincher Creek, has charged A.J. Hooke with land speculation and E. W. Hinman with using a cabinet position for personal advancement.

Provincial leader Neil Reimer will address the convention at noon on Saturday when the action is at the Chateau Lacombe and capacity for crowds of 1000 or more is arranged. The NDP has already nominated some 50 candidates and are preparing for an all-out battle in a campaign they say may net them 35 seats in the next legislature. Grant Notley feels the campaign will be aided by a feeling of restlessness among Alberta voters, coupled with dissatisfaction with the arrogance of the Social Credit government, which he says compares with that of the Liberals in '57.

Panels of major policy areas, such as the one Dr. Dolman is chairing will be conducted Saturday morning at Chateau Lacombe and visitors are welcome as they are throughout the convention. Panel Chairmen will then report on their subjects to the Convention for discussion from the floor in plenary session.

Socred Convention

The St. Albert Social Credit Nomination Convention is being held next Wednesday (March 22) at Club Mocombo in St. Albert. All interested residents of the constituency will be welcome.

Ratepayers protest assesessment

Mr. A. H. Russell, the Assessor for 1966, attended the regular meeting of the St. Albert Town Council Monday evening to discuss the recent assessment. Town Hall has received a great number of telephone calls regarding the recent general assessment and to-date some 120 property owners have filed a notice of appeal and are slated to appear before the Court of Revision, which will sit on April 3, 4 and 5, com-

mencing at 7:30 p.m., in the Council Chambers. Mr. S. L. Billings said 99% of the appeals are against the increased land assessment. It was noted that ALL land in the Town has increased in value. Town Council decided to ask for a meeting with Mr. Cross of the Assessment Branch, after which Council will decide whether the Town should appeal the Equalized Assessment. Councillor de Bruijn commented "Smaller municipalities will be subsidizing the large cities through the Equalization Plan." Councillor Parkes added "It looks like an outside effort to force us into involuntary merger with Edmonton."

COMMITTEE POLICY

At a recent Public Works Committee meeting, Council-

lor Donais, after a lengthy discussion, moved that the P.W. Committee recommends that Council be requested to set the Policy and Terms of Reference of the Public Works Committee. This motion was defeated, when both the other committee members Councillors Bakker and Gibbon, voted against it. Mr. Bakker said Monday evening that if Mr. Donais had any questions regarding Policy, he should bring these up at a meeting of Council "when and if" he is present. Mr. Bakker added that Councillor Donais consistent absence from committee meetings caused inconvenience to the other members. Professor Bakker noted that Mr. Donais "has not attended committee meetings for 3 or 4 months," prior to the one held March 10.

Mr. Donais did not attend Monday's Council meeting.

An amendment to the Garbage by-law is to be brought in which will allow for a charge to be made for garbage pick-up from Commercial and Industrial Establishments.

POSTAL SERVICE

A report on the postal service was received, but Mr. Bakker said he is still "not happy with it." In some cases a letter mailed in St. Albert to Edmonton may not be delivered there until two days later. Letters deposited in the mail box located at the St. Albert Post Office (in most cases) get the fastest service. Residents are also reminded

Mr. Bugnet, distinguished writer in both French and English and a life-long experimenter in Western horticulture, has received a further honour recently. At a meeting in Banff has was made a Honorary Member of the Western Canadian Society for Horticulture.

Georges Bugnet was born in February 1879 at Chalon, in Burgundy France. He was married in 1904 and the couple came to Canada in 1905, when Georges took up homesteading in a then nameless district later called Rich Valley.

Today at the age of 88 he and his valiant wife are heading a large family of children, grandchildren and great-grandchildren, which number 85.

Kinnettes receive charter

On Friday evening, March 10th, 1967, the Kinette Club of St. Albert received their official charter. The event, held in conjunction with a dinner and dance at the Club Mocombo, saw eighteen Kinsmen wives become charter members of an organization which will operate as an auxiliary to the local Kinsmen Club.

Already they have made their presence known in the community through their work on the St. Albert Christmas Hamper bureau, which they successfully operated this past Christmas.

Kinsmen Club President,

Doug Stewart chaired the meeting and introduced the head table. District Governor, Pat Henry of Red Deer, in his address paid tribute to the Kinettes and introduced the executive, charging them with their duties and responsibilities. The executive members are: President-Jeanne Irwin, Vice Pres.-Glenna Erickson, Secretary-Carol White, Treasurer-Lynn Calkins, Registrar-Elaine Royer.

Deputy District Governor Howie Burke of Edmonton presented the Kinettes with pins emblematic of the Kinette Association. Presentations were then made to the Kinettes from the Edmonton Kinsmen Club, the Kinette Club of Edmonton, the Kinette Clubs of Barrhead and of Westlock.

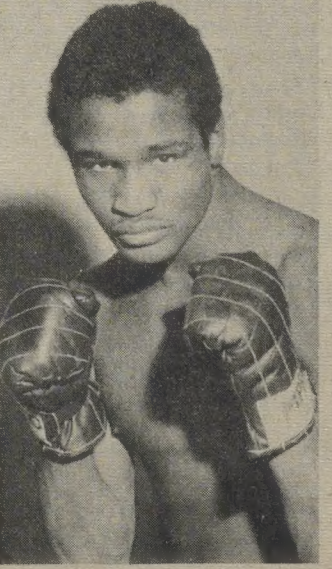

Congratulatory telegrams were received from several of the Kinette Clubs across Canada.

John Cooley, Ian's father, teaches model plane building to St. Albert youngsters and travels with 6 or 7 boys into Edmonton every Sunday evening where they have the use of the Edmonton Club's facilities, donated to them free of charge.

The Edmonton Model Flying Club is planning to come to St. Albert soon and give local people an opportunity to view models and find out more about this fascinating hobby. All interested youngsters and oldsters are most welcome to attend.

Holding past good in changing times

Jim dominated the organ, his face perspiring in the summer heat, his eyes closed and feet moving in a steady rhythm, his rough brown hands moved with surprising ease over the keyboard, filling the little church with a mellow melody.

At home Jim is a mixed farmer of the sturdy, independent, homestead type. His quarter-section of rolling prairie produces, in the main, a yearly crop of grain and hay. From the sloughs harvested under the warm sun, for which he finds a ready market among the increasing number of cattle farmers in the district, provides a welcome cash bonus.

Jim is proud of his daughter Elsie. A promising, intelligent girl of sixteen, she had at the country school a year ago before and was staying in the city to further her education. Parting with her had been hard, even harder than when she had been away long hours by school bus. Jim knew many of his neighbours had never really approved of the consolidated school system. Why, with the kids on the prairie so long the family rarely saw them during the whole school year long. But despite the disruption to family life Jim had not stood Elsie's way when she asked to go to the city. He could see that times were changing. The small farmers would not survive much longer and education was the key to a new livelihood.

Jim and his wife were simple God fearing folk, they worked hard, went to church and guided their lives by the simple faith of their fathers. They distressed them that the school, the magazines and the TV, so often seemed to sug-

gest that their simple beliefs were out-moded. Nevertheless Jim saw the need for education and would not hold Elsie back. She was a bright girl... besides which his wife was urgent on her behalf. The encouragement of their parish priest was another factor. In him, faith and education went hand in hand. Certainly without an education a man was not wanted these days, nor a woman either for that matter. Elsie should have her chance!

Today Elsie is happily married. An educated woman, with all the virtues of her simple country background, she is a mother who has much to contribute to her children. She combines the best of town and country in one person.

Out in the farming areas the pace of change continues. New techniques, new machines, new chemicals appear each day. Education is needed just to keep up with the changes. In the cities and towns and at special central locations across the prairies new facilities are coming into existence to meet the need. True, it is on the old virtues of faith, neighbourliness and charity that the good life continues to be built. But to this must be added knowledge: The new knowledge necessary in order to survive in our complex world. Vocational schools, high schools, colleges, and universities are the centralized institutions which exist to meet this need, yet even they cannot function effectively without public understanding and support.

Dr. Ross should resign

by Robert Russell.

Whether it's the state of provincial Mental Hospitals, designing administrators, health Services or hospital planning, the Minister of Health seems to be operating on a crisis to crisis basis which leaves little time for planning and policy making.

ender loving care potent medicine

Children sick enough to require hospitalization for a week or longer should have their mothers rooming with them to assure the youngsters' emotional growth. This is what nurse-educator Claire Fagin concluded after a careful study of 60 children aged 18 months to three years who were similar in almost every way but differed from the another in one significant aspect: One group of children received visits from their mothers only during regular visiting hours. The other group of children were cared for by their mothers, who roomed in during the entire hospital stay.

According to Dr. Fagin, the latter group escaped entirely the usual signs of emotional regression found in hospitalized children separated from their mothers.

Dr. Fagin is assistant professor at New York University's School of Education as well as a graduate nurse.

The pressure is building up and I'm surprised that he hasn't already resigned.

Dr. Ross has to be one of the weakest members of the Sacred government and his fumbling attitude certainly hasn't inspired confidence in his department. And besides does anyone really understand his brand of MANNINGCARE?

I took my two sons and daughter to visit the Legislature last week and while we watched from the Speaker's Gallery, I thought that if all the people of Alberta could spend an afternoon in our Legislature they would surely appreciate the need for vigorous opposition. It is impossible for the present opposition to begin to cope with the number of bills that are presented (and with hardly a murmur from the backbenchers).

By the way, I'd like to suggest that more parents pick their youngsters up from school some afternoon and visit the Legislature. The session lasts until 5:30 p.m., so there is plenty of time to get there after school and still be home for supper.

Mr. Manning and Mr. Taylor did a sudden U-turn this week over the problems of Indians and liquor in the south country. On one day they were criticising the press and denying that the situation existed and the very next day they were thanking the press for bringing it to their attention. I was in the Legislature two weeks earlier when Liberal M.L.A. Bill Dickie raised the matter with Colborne and THAT is where it all started.

From the Legislature

by Keith Everitt
M.L.A. for St. Albert

The Budget debates have now concluded and the Legislature has been sitting in committee this week to study and give approval to the various estimates. The agriculture estimates have received consideration and have now been approved. This year the expenditures on the agriculture income account has increased by \$1,471,343.00 while the total capital account has increased by \$2,223,615.00. One million dollars has been appropriated to the Land and Forest Utilization Act. Some of our cattle men will likely benefit from the expenditure as I understand Community Pastures are being established in the M. D. of Westlock and Thorhild this year. There have been approximately 65 bills introduced so far. Two or three of these look like Eatons catalogue because there is a tendency to consolidate present legislation. I have received some representation concerning section 60 of the Assessment and Taxation Bill. This is the section which deals with assessment for school purposes. It seems as though there may be a four or five word amendment coming in which will satisfy those that have made representation.

I will outline this amendment in a later report.

Some of us are waiting to hear official word of an industrial boom in the area I represent. The west side of the Saskatchewan River from Fort Saskatchewan to Redwater may become the "Sarnia" of Alberta. I am doing everything in my power to help this become a reality.

In the last few months a couple of candidates for the St. Albert constituency appear to be craving publicity. Although I am tempted to outline the inaccuracies in their viewpoints, I do not think it wise to use this space which has been allotted me to report from the Legislature.

This year I have been placed on the Committee to study "Private Members Bills." The rules of the house are such that a Private Members Bill cannot be given consideration on the floor of Legislature until it has received approval to proceed from the Private Members Committee. Once again it is my pleasure to also chair the Agriculture Caucus Committee. This committee scrutinizes legislation that affects the agricultural industry. We have had a very good meeting with the Farmers Union, Wednesday evening we meet with the

The N.D.P. speaks out in Canada

by Dr. Norman G. Dolman,
N.D.P. Candidate,
St. Albert Prov. Con.

This year Canada celebrates its centennial and should do so with pride in the way in which this harsh land has been moulded into a country.

What will Canada be like in 2067? Many experts believe there will be no Canada 100 years from today.

Speaking at the University of Alberta on Monday, March 6th, Dr. Norman MacKenzie asked: "Will you share in a general break-up which, in my opinion, will mean by 2000 A.D. an island of some 10 millions of French-speaking North Americans in a sea of 350 million English-speaking peoples?"

Harsh words? Of course they are; and they need to be spoken over and over again.

Many factors contribute to the imminent break-up of Canada, and foreign domination of our industries, particularly of our natural resources, is the main one.

We of the N.D.P. have said many times that Canada is fast losing control of her own economic destiny, and we lay the blame squarely on the Federal Government in Ottawa and on the Social Credit Government in Alberta which is responsible for the sell-out of Alberta's oil.

Provincial Fish and Game Association to discuss the Game Act.

It is not enough to point to Alberta's wealth compared with some other provinces. Alberta has such a store of natural wealth in oil, gas, coal etc., etc., that a troop of Boy Scouts could have run this province and made a profit!

The N.D.P. believes that NOW is the time to regain control of the Canadian economy for the Canadian people, and that only through the positive government of the New Democrats can this be achieved.

In 1965, the Federal Leader of the New Democratic Party Mr. T. C. Douglas said: "Canadians want to be challenged. They want Parliament to get on with the job of making Canada great and prosperous, a voice to be reckoned with in world affairs."

"In a nutshell, Canadians are looking for leadership."

As the N.D.P. candidate in the St. Albert Provincial Constituency, I invite all residents of St. Albert and the Sturgeon District to visit our Annual Convention in the Chateau Lacombe, Edmonton, Saturday evening, March 18th and hear our speakers - Tommy Douglas, Neil Reimer, Provincial N.D.P. Leader and Garth Turcott, M.L.A. Pincher Creek - Crowsnest, Social Credit's REAL opposition.

Please phone me at 599-7248 for more details.

Our readers have their say

Dear Sir:

Your editorial in the March 8th Gazette on Metropolitan area problems was timely. A dormitory town such as St. Albert and a core city both have unique problems of a financial and sociological nature. These have been studied in the U.S. and Canada and much useful information is now available.

Property taxes have increased faster in St. Albert than in Edmonton because our town is not financially recognized by the Provincial Government as part of a metropolitan area. Neither is the City of Edmonton in relation to the Strathcona County industrial area.

The only thing that the Government has done to financially assist our Town is the School Foundation Fund Program. For every dollar we pay to the Fund we get about three back because we pay into it an amount related to the total assessable property in St. Albert and we get back an amount related to the number of children in our schools. St. Albert gets a better deal than Edmonton (two dollars for one) because we have more children in relation to our total residential and industrial assessment but not because we are a dormitory town within a large metropolitan area. The Foundation program was not designed to solve metropolitan area problems as such.

Until the following things happen the gap between St. Albert and Edmonton property taxes will increase.

1. St. Albert gets telephone and electricity profits and the government stops favouring private utility companies. (This could make \$40 per year difference.)
2. St. Albert gets higher per capita grants under the Municipalities Assistance Act or the benefit of a metropolitan area industrial tax.
3. Edmonton is forced to assess its residences at 60% of their value instead of 50% and a more adequate adjustment is made to our equalized assessment (This governs the amount of dollars we pay into the Foundation Fund)
4. Major industrial development comes to St. Albert.

Did you know that at least half of the physical ills treated by your doctor are caused or complicated by emotional factors? Your family doctor, through the College of General Practice, has joined with the Mental Health Association to produce a useful pamphlet entitled "Worry, Worry, Worry." It's free, and it will help YOU to understand yourself.

If our Town was to get its fair share of metropolitan area business and tax revenues we could forget about promotion of industrial development (which we are not equipped to handle) and help the Edmonton area get more industry to locate in sites with better facilities. It is wrong to go after industry mainly for the property taxes it pays. The main benefit of industry is in the payrolls it brings which stimulates local business. Major commercial shopping and business centres are in Edmonton and will continue to be patronized by dormitory town residents.

Our government has not shown imagination and leadership in its handling of the planning and financial problems of the Edmonton and Calgary metropolitan areas. It has used the amalgamation technique to solve the financial crisis of Beverly, Jasper Place, Bowness and Montgomery. Our Town has never come to grips with the problem either. We could retain a consultant to prepare an expert brief to the government which would clearly show the unfairness of the present situation.

It now costs the St. Albert householder about \$10, more per month for taxes and \$5, more for utilities. Many residents are worried over the land assessment which has just been doubled. I believe the limit has been reached and now is the time for along term remedy to be found.

Sincerely
Richard Wheatley.

I wish to offer a vote of thanks to our Garbage Collectors.

I am an elderly resident of Glenmore Crescent and I stepped a few days ago on an icy street going to the bus-line. The Garbage Truck happened to be behind a short distance. The men most kindly picked me up, brought me home and advised me to call a doctor. I for one will not complain of the extra 55¢ per month.

St. Albert 100 years ago

Photos courtesy of Father Emile Tardiff O.M.I.

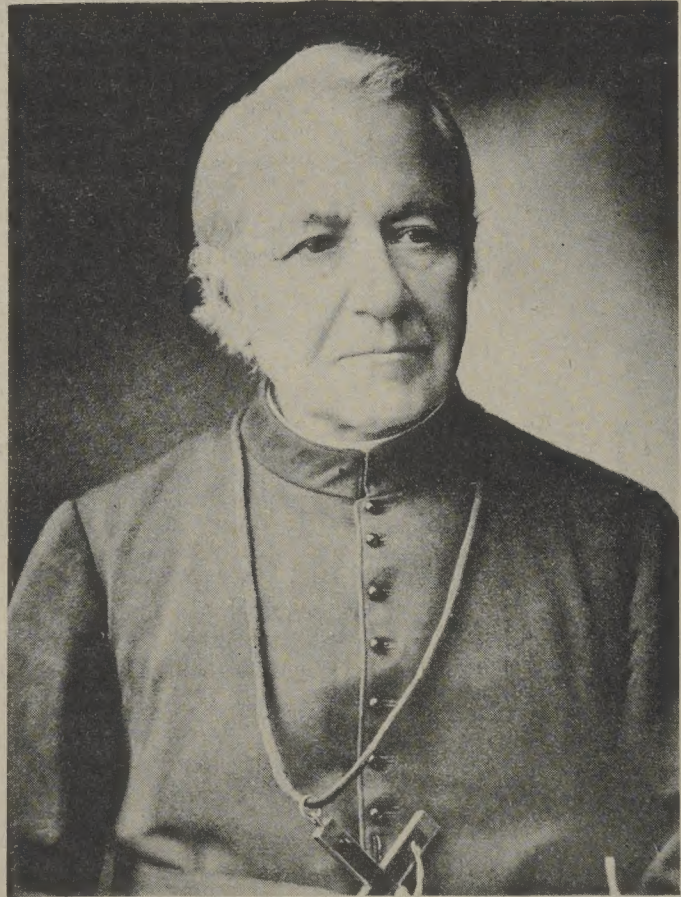

Next week we will digress somewhat from the picture being presented as a Centennial Project by Mr. Jim Drysdale of our community 100 years ago. We feel our readers would like to follow Father Tetreault's history further and the third part of this history will be presented, beginning with the year 1883, 84 years ago.

To introduce this section we bring you Father Tardiff's commentary on the writings and historical work of Alexis Tetreault. (Readers will remember that an account of his background by Father Tardiff was carried in conjunction with the earlier series by Father Tetreault).

All through his life Father Tetreault was interested in the history of the West, its development and the pioneering days when the members of his order had done so much work. His stay in St. Albert where he was in charge of the Museum for a number of years prompted him to write articles about the first days of the province. Besides his short History of St. Albert published in the St. Albert Gazette, Father Tetreault wrote articles for the magazine of the Alberta Historical Society and papers. He was also interested in the liturgical movement and was one of the first to publish a mass in the vernacular for the people 25 years before it became a common practice.

I think the predominant characteristic of Father Tetreault's life was his great love of tradition, and the past that made the history of his country and especially this marvellous province of Alberta. He might not have been the greatest historian ever, but he was one of the most sincere and in that respect should serve as a model to all in the study and dissemination of our historical heritage.

We are leaving the past behind more and more rapidly and before long it will be a cause of sorrow to see so many facts forgotten and so many sources of information on our local history disappearing. At the example of Father Alexis Tetreault all should make an effort to preserve our history. Not only the major history of our country in general, but the little local history which might not have the same importance, but certainly for us and those who come after us in this district will be of great interest and a source of pride.

FATHER ALBERT LACOMBE O.M.I.
BEFORE 1867

In the early days of 1865, Father Lacombe was relieved of his responsibilities over the growing settlement, and was given the mission "of coursing the prairies," to bring Christ's message of love to the savage Crees and Blackfeet. He was frankly delighted with his lot. "St. Albert was becoming too civilized for me," he commented. He was to return frequently to his beloved "hill" but only as a "freelance" to help in times of trials or pressing need.

FATHER HIPPOLYTE LEDUC O.M.I.
AFTER 1867

In 1867, Father Andre was replaced at St. Albert by Father Hippolyte Leduc, O.M.I. who was to take sole charge of the mission in the spring of 1868. He was to guide the material destinies of St. Albert for 28 years. An organizer of genius, he contributed more than any one else, to bring the St. Albert community to a state of progress and development unequalled this side of St. Boniface.

The car overturned several times and damages were estimated at over one thousand dollars. Constable Hillman escaped when thrown from the vehicle, he suffered a cut face, bruised ribs, wrist and leg.

The congregation from the Morinville United Church will sponsor a smorgasbord style supper on Sunday, April 9th in the Morinville Recreation Centre from 5 to 7:00 p.m. This will be to help with their new church building fund and it is hoped that all local and district citizens will support this good community project.

The final paper pick-up of the season will take place on Wednesday, March 29th. Get all your old newspapers and magazines ready in bundles or boxes for that day. For further details phone Mrs. Zed Storey, 256-4382. This will be done by the United Church ladies and Sunday School pupils.

Mr. John Gauthier is resting in an Edmonton hospital, having suffered a broken hip in a fall recently.

Miss Laurie Vranas, daughter of Mr. & Mrs. Chris Vranas suffered a painful ankle injury last weekend.

Others on the sick list at press time, were Mrs. Garnet Wiley and Mrs. Justin Hughes.

Among the visitors in Morinville last week were Mr. and Mrs. Leo Douzelich of Edmonton, Mr. and Mrs. Maurice Tellier and Mr. and Mrs. Joe Terriault also of Edmonton.

For those of us who has the privilege of meeting His Eminence, Cardinal Paul Emile Leger of Montreal, it was a very happy occasion indeed. The great are always humble and His Eminence has the great gift of making one feel a welcome guest. His sharp wit and good humour only adds to his great personal charm. The press conference was one to be remembered for a life time by all who were present last week in Edmonton.

The yearly pilgrimage to the North by our ladies who represent the Morinville Ladies Curling Club, left last week for Fort St. John and Dawson Creek. The rink is headed by Helen Rousseau, with Mary McDonald, Jeannette Krauskopf and Ann Kryskow. Both Jim Rousseau and Ed Kryskow went along as drivers and chaperons to the ladies.

Our local curling team, headed by Hector Gervais for the National Curl-O-Rama in Toronto with the Comeau Bros and Ray Kremer, accompanied by Mr. and Mrs. Norman Meunier of Morinville, did not come home with top honours but brought a bit of Klondike and Frontier Daze colour to Toronto.

Thibault school 75th anniversary

On Wednesday, March 8th Thibault School celebrated its 75th Anniversary by presenting three faces of the life of school. The past was duly recognized with public tributes to those who were responsible for the establishment of Thibault School in Morinville, for its growth and progress over 75 years and for the contribution it has made to town, parish and district. The ceremonies which officially opened the new \$150,000 wing at the school, presented a look at what is planned in the years ahead for Thibault, by the Education Week displays featuring student participation.

The program began with a special Mass celebrated by Most Rev. Bishop Phillippe Lussier C.SsR, of St. Paul, in St. John Baptist R. C. Church. Rev. Father George Primeau, pastor, delivered a short sermon. A banquet followed when teachers and trustees were hosts to some 110 guests, including church and civic dignitaries.

The official opening of the new wing took place at 7:30 p.m. when Mr. Leon Riopel, chairman of the School Board snipped the white and blue ribbons connecting the new wing to the present high school building. Bishop Lussier blessed each room, a classroom, two laboratories and a library. He was accompanied by Rev. Fathers G. Primeau and A. Beaupre; Mayor Henry Ramsay, Mr. Robert Rees, Chief Superintendent of Schools for Alberta, representing the Alberta Minister of Education; Mr. Keith Everitt, M.L.A.; Mr. Marcel Schayes, school principal and Sister Agnes Joseph, vice-principal; Mr. Donald Weiss, president of the Thibault's Student Union.

About 300 persons gathered in the school's gymnasium for the anniversary program. Mayor Henry Ramsay, congratulated the School Board on its 75th Anniversary and thanked the teaching sisters for their great contribution to the Morinville School. Sister Agnes Joseph and Mr. Paul Chalifoux described the history of Thibault School from its beginning in 1892 in comprehensive and colourful accounts.

The Morinville Glee Club entertained in song with English, French and Italian selections, under the direction of Mr. George Lavallee, who was also the M.C. for the evening. Several awards were presented during the evening: Sister Marie Anysie, was presented with a plaque for her 34 years of teaching in the

on the need of good education at all levels. "We need men and women of good character at all levels of society. Men and women whose mental and moral being are a credit to their community and our nation." These roots are cultivated early in life, and the school is the fertile ground where christian habits and good moral fibre are developed in the formative years under the guidance of good christian teachers" continued the bishop.

He said that few schools in Alberta could compare with Thibault School and paid tribute to all the pioneers who struggled to establish their separate school and who have succeeded in the following three generations to support the real purpose of a Catholic school. He went on to stress the need for all students to finish their grade XII education and to equip themselves for a successful life in the modern world, so demanding of all today. "We agree to prepare our children for a world of culture, of science, of specialization and we hope that this school will train leaders, men and women of character for a truly great society. But it is our common purpose also to prepare our children to be true christians, authentic witnesses of this great and devind faith; builders of the Kingdom; we want to prepare them well, not only for their human destiny, but for their eternal destiny with God."

Madame Carmen Bourret (Carmen Tellier) was the guest artist for the evening. She charmed her audience with three vocal selections, in French and English. Rev. Father Primeau, brought the program to a close with a very brief word of thanks to the out of town guests. Following the program, members of the Student Union hosted the tour of classrooms where displays were set up. Students of the Sociology class were all dressed in costumes of many lands. The labora-

The Morinville Catholic Women's League held their annual family bonspiel on Sunday afternoon February 26th with first prize going to the Gordon Hittinger rink comprised of Gordon Hittinger, Florence Vranas, Leo Boissonnault and Ken Pelletier. After a tie with the Ralph Gaetz rink second prize went to the Ed Kryskow rink comprised of Ed Kryskow, Christine Vranas, Julie Chalifoux and Jean Vervynk. Consolation prize was won by Jeannette Krauskopf, Hellen Rousseau, Anne Kryskow and Delia Logan.

In the evening curlers and non-curlers alike spent a pleasant evening playing whist and cribbage in the Parish Hall. First prize for the highest scores in whist went to Rev. Father Primeau and Rose Brenneis with consolation prizes being won by Jim Rousseau and Ann Pelletier.

THE ST. ALBERT FIGURE SKATING CLUB is holding their annual general meeting on Thursday, March 16, 1967 at 8:30 p.m. in the Clubhouse. All parents of this year's participants as well as anyone interested in participating next year are urged to attend. The financial statement will be presented, and topics to be discussed will include this year's activities and means of improving next year's program.

THE SENIOR CITIZENS are holding their "Easter Hat Parade" on Friday, March 17 at 2:00 p.m. in the Clubhouse, 5 Grenfell Avenue. They have been busy designing these creations for the past month and both men and women will be showing off their artistic talents on this day. It promises to be a very interesting time. Refreshments will be served and there will be entertainment provided by a group from Edmonton who are themselves senior citizens. PLAN TO ATTEND THIS ONE.

A BASEBALL ORGANIZATIONAL MEETING will be held in the Clubhouse on Sunday, March 19 at 8:00 p.m.

We have a very large number of boys in our town who could become baseball stars, but without coaches, umpires, sponsors and managers, they won't even get to first base. So we are urgently in need of volunteers to coach, umpire, sponsor or manage - we are never short of players.

All parents of boys wishing to play baseball this summer are especially invited to attend this important meeting; their views and ideas on the forthcoming season would be most appreciated.

Scholarships in music, drama, librarianship and arts and crafts are again being offered through the Cultural Development Branch of the Department of the Provincial Secretary.

The provincial government scholarship programme began in 1945 to encourage Alberta citizens to seek further training in cultural pursuits in recognized provincial, national and international centres and to contribute to the development of the arts in Alberta.

Application forms for the 1967-68 scholarships are now available by writing to Walter Kaasa, Director, Cultural Development Branch, Room 424, Legislative Building, Edmonton. Anyone who is interested should also note that deadline for applications is May 1, 1967, and any scholarships awarded must be claimed by March 31 of the following year.

TEEN MEETING CALLED: A meeting of teens has been called for Thursday evening at 7:00 p.m. at the Clubhouse 5 Grenfell Ave. The purpose of the meeting will be to discuss coming activities for the year, and to make plans for the kick-off dance to be held in April. Teens are invited to attend and bring ideas for events and outings that may

sity of Alberta Extension Branch who gave the keynote address entitled "The Citizen and his Relation to the Community." After a short break for refreshments an informal discussion took place with everyone taking part. Many of the problems besetting our community were aired and a free exchange of ideas and information ensued. It was a thoroughly enjoyable and enlightening evening.

Now that the ice has been broken we anticipate a much larger attendance for the second session to be held on March 22 at 8 p.m. in the Clubhouse. The speaker on this occasion will be Mrs. Betty Hewes who is the Executive Secretary of the Edmonton Branch of the Canadian Mental Health Association. This should prove to be a very interesting and informative evening. So come out and add your ideas to those already expressed as to how we can improve our community life.

Good showing by local boxers

A crowd of 500 watched the boxing competition held at Grouard last Friday. The St. Albert boxers came up with three wins as Neil Kelly defeated Simon Gunning of Peace River, Paul Jelley won over John Capot of Grouard and Donald Wilson won over Brian Sinclair of Slave Lake. James Kelly and Roger Jelley lost split decisions to Laurent Boucher of Peace River and David Sinclair of Slave Lake respectively.

St. Albert CWL has made arrangements to have Mrs. Henriette Langer speak to their meeting April 3rd. The well-known lawyer will talk on wills and testaments with a woman oriented approach and all interested women of the community will be welcome to join the CWL ladies for the evening meeting in the Parish Hall.

Monday was a big day in the life of the Town's budding ballet stars, when a class of 33 pupils of the St. Albert School of Dancing took their examinations from a Royal Ballet examiner. The St. Albert school by having so many students trying the exams was able to have the examiner come here.

St. Albert and district Community League will hold their Annual Meeting Monday, March 20th at 8 o'clock in the Community Hall, when new Directors will be elected and year-end reports presented. President Henry Terrault will chair the meeting which is open to all League members.

St. Albert's Provincial Pee Wees mix it up with the Devon team in an exhibition game at Sturgeon rink. Referee Marsh Mormyluk engineers a face-off in top photo with Norman Comeau (No. 7) centering for St. Albert Bruins. At right Craig Neeser (No. 4) tangles with the opposition on the boards as two Devon defencemen cover the play.

Bruins enter Provincial play downs

The St. Albert Bruins (Provincial Pee Wees made up from all the local Pee Wee house leagues) fought a close game with Lancaster Park (Nanaimo) in the opener of a two-game total point series, losing 6-5 to the visitors. Second game should be a dandy and will go this week-end. Ron Manning is coaching and Tom Ferguson managing the team, which will have to defeat Nanaimo to stay alive in the Provincial playdowns.

Last week-end the Bruins, who are sponsored by St. Albert Texaco Service, entered the tournament at Westlock, playing very well to cop second place.

Sturgeon Heights column

A display of Centennial flags and a "Welcome Sorrel Crescent" banner greeted the crescent families when they arrived at Braeside rink last Sunday for their second Centennial outdoor party. It developed that Joe Haywood, caretaker, was responsible for the happy surprise, in addition to giving the ice several floodings before the "gang" arrived.

With beautiful weather, good ice and a large turnout of some 90 residents of the crescent everyone from toddlers to oldsters had a marvellous time. While Jackie Beaudry delighted the children with horse back rides and Rene Parenteau with skidoo rides, the fathers took over the ice for more broomball (?) Joe Haywood came to the rescue of the mothers and organized a lunch of hot dogs, cocoa, coffee and doughnuts for the ravenous appetites developed by fresh air and exercise. Watching the "oversized" kids at broomball provided the mothers with lots of laughs.

Viscount stables to host Arabian horse show

The Aurora Arabian Horse Association of Edmonton will hold its third annual all-Arabian horse show from May 20 - 22 inclusive at Viscount Stables, two miles north-east of St. Albert.

There will be line classes and performance classes for purebred and partbred Arabians. Entries are being sought to fill the classes and bring the show to the international level. A list of the

classes and prizes is available from either Stan Clarke show chairman, at 5545 - Whitemud Road, phone - 434-3238; or Mrs. Hazel Simmonds, show secretary, at 13912 - 91A Ave., phone - 488-6848.

Winner of last year's show was Chic Miller of Olds with his purebred stallion Shazur. Miller entered 14 classes to garner 98 points, including 2 firsts, 7 seconds, 3 thirds,

and a fourth. Competition was provided by a large number of horses including some from British Columbia and Saskatchewan. Winner of the inaugural show was Miss Marilyn Bell of DeWinton with Talat.

This year's show has been increased a day from those of 1965 and 1966 and is expected to attract horses from an even greater area.

Magrath New Basketball Champions

Magrath High School, representing South-Western Alberta, won the Provincial "B" Boys basketball championship in convincing fashion as they swept through the tournament with three straight victories. A capacity crowd of over 400 was in attendance at Vital Grandin School in St. Albert to see Magrath overcome stubborn opposition from Crescent Heights High School of Medicine Hat to win the final game 48 - 28.

St. Francis Xavier of Edmonton, representing North

Central Alberta, won the consolation trophy, defeating St. Joseph's of Grande Prairie 63 - 39. Magrath defeated the defending champions, Stettler 54 - 37 in semi-final action Saturday afternoon, while Medicine Hat reached the finals by winning out over Three Hills 56 - 38. Consolation semi-finals were played Saturday morning with Grande Prairie defeating Lamont 50 - 37 and St. Francis Xavier winning over Tofield 68 - 47.

In first round games on Friday Stettler jumped into an

early lead and held it to get by Grande Prairie 52 - 32. Magrath showed power in dumping Lamont 72 - 38. Medicine Hat had a busy time getting by Tofield 46 - 35 and in something of an upset, Three Hills showed its class by outthrusting and outscoring St. Francis Xavier 53 - 47.

Large crowds took in the action on both days of the tournament and in addition to seeing first rate basketball, they were treated to colourful exhibitions of cheerleading by groups accompanying the visiting teams.

Small people enjoy train

Following their visit to the Confederation Train the children of Grade 3 class at Father Jan were prompted to say thank you - in a manner we think our readers will enjoy:

Thank you for giving us the opportunity of seeing the Confederation Train. We enjoyed the bus ride because many of us had never been on a school bus before. We had heard about many of the things we saw, but the train made them very real to us. We felt we were travelling across Canada in the railway car with the first settlers. The row boat in which they crossed the ocean seemed very small when we looked out at the sea. We felt sorry for the soldiers who had to live in the trenches to keep the enemy away, and save our country for us. Thank you again for letting us go.

Gratefully yours,
Grade 3 class,
Father Jan School.

The winners of the Legal Amateur Hour was (from left to right) - Bernice Mercier 14 years, Nicole Cyr 15, Denis Boissonneault 9 and Patsy Montpetit 9 years.

Talent Show draws big entry

On Sunday March 12th the Ladies of St. Anne sponsored an Amateur Hour at the school auditorium. Judges for the evening were Mr. Leonard Rousseau and Mr. Reginald Bigras both from Edmonton. Contestants were divided into two main age groups: 8 to 11; and 12 to 16 inclusive. These two groups were then sub divided into vocal and instrumental. Twenty-five entries provided a fine evening of musical entertainment; much enjoyed by the audience. It being Canada's hundredth birthday what better way to begin the evening than with the Centennial Song, sung by a group directed by Sister Corriveau. This group wasn't taking part in the competition.

While the judges were evaluating their scores, La Chorale de St. Emile sang "Do-Re-Mi" and "Tu Dances Bien Madeleine". The winner for the vocal - ages 8 to 12 was Patsy Montpetit, and instrumental ages - 8 to 12 was Denis Boissonneault, a young violinist. Vocal for 12 to 16 age group was Nicole Cyr and instrumental in the same age group was Bernice Mercier.

Ellen de Champlain at the piano opened the contest followed by Sylvia and Gerard Charroes with a vocal duet, Denis Nault a piano solo, Duane Montpetit, mandolin number. Nicole Cyr, vocal

Legal gals win broomball action

For the first time in history the Ladies of St. Anne from Morinville met with the Ladies of St. Anne from Legal for a game of broomball. You had to see it to believe it. Armed with a lot of confidence, high spirits, but lacking know how and practice, the ladies had quite a game. The score? 2-1 for Legal.

The game was officially opened with a face off by the president of the clubs, Mrs. Lucien Montpetit from Legal and Mrs. Joseph Leduc from Morinville. In the first period Morinville's own Madeleine Gibeau made the first goal. The goalie for this period, Mrs. Ubald Chevalier of Morinville did a wonderful job. Every player gave all she had. In the second period Legal came back at us with full power, scoring two points in a row. Morinville goalie for this period, Mrs. Leduc could not keep up with the rush. Legal net-minders: Mrs. Jean Pierre Letourneau and Mrs. Roland Prefontaine were sensational. All in all it was a great game. The ladies wish to thank the brave men who accompanied us, and Father Primeau who agreed to act as coach.

To our gracious hostesses from Legal we wish to offer our sincere thanks for a delicious lunch and a wonderful time. We expect to see them in Morinville for another bout in a few weeks time.

M. D. approves repairs to Municipal House

PRESENT for the Feb. 16 Meeting of the M.D. of Sturgeon were: Councillors G. Wilson, L. Rye, W. Flynn, S. Walker, L. Kluthe, W. Van de Walle and D. Bevington; Superintendent of Public Wks., R. Stack and Sec., Treas., A. Nobert.

Reeve Walker called the meeting to order at 10:00 a.m. It was moved that the Minutes of the Council meeting held January 12 and 13, 1967, be adopted as received.

MUNICIPAL HOUSE: The Public Works Committee report indicated that the Committee had estimated the value of this property at \$10,500.00. The following are estimates on repairing the Municipal House - plumbing \$500.00, chimney \$250.00, painting (exterior) \$150.00, carpenter work \$200.00, material \$200.00, total expenditure \$1,300.00.

MOVED that the Council authorize the Public Works Committee to proceed with the necessary repairs on the Municipal House.

ACCOUNTS: Each Councillor was provided with a list of accounts to be authorized for payment and presentation was made by the Secretary-Treasurer.

MOVED that the Council authorize the payment of accounts as submitted, but to uphold the voucher of \$670.60 payable to H. Ruhl Mach, Co.

HOMEOWNERS GRANT: The Secretary advised the Council as to the difficulty arising from the allowance of such grant to the taxpayer especially in the case of people paying their taxes less \$50.00 - thus leaving a balance of \$50.00 on the tax roll until the Provincial Government paid said grant. He informed the Council that, in accordance with the Municipal District Act a 5% penalty would have to be imposed on all tax arrears, thus penalizing the ratepayers who have applied for the grant which has not been paid by the Gov-

Legal St. Anne

The Ladies of St. Anne held their regular monthly meeting Monday, March 6 at the Senior Citizens Homewith 50 ladies present.

The meeting was opened by a devotion to St. Anne followed by a ceremony admitting five new members to the congregation. Mrs. T. Brisson, Mrs. Parent, Mrs. R. Regimbald, Mrs. G. Leduc and Miss R. Bilodeau.

After a few words of welcome by Father Ricard to the new members the meeting continued with the reading of the Christian Family followed by discussions and questions on the role of the parents toward the education of their children.

The minutes of the last meeting were read by the secretary and reports from the different committees were given.

A Twilight Retreat will be held at the Star of the North Retreat House in St. Albert on April 3rd from 5:00 p.m. to 11:00 p.m. All french speaking ladies and gentlemen are welcome. Those interested should give their names to Mrs. L. Montpetit before the 27th of March.

The president then thanked all those who had helped in anyway for the different activities that had taken place in the parish recently.

Thanks were also extended to the Matron of the Home for her kind co-operation.

ernment as of March 1, 1967. Moved that the Council adopt a policy for 1967 so the ratepayers be highly recommended to pay the full tax levy on their property and that the Homeowners Discount Tax Grant be refunded to them upon receipt by this Office from the Provincial Government.

POLICE OFFICERS-CONGRESS, Mr. Hillman informed the Council that he would appreciate being delegated to attend the Police Officer's World Congress to be held at Niagara Falls from May 8 to 13, 1967. The purpose of this congress is to further the brotherhood of Police Officers World over, seminars, lectures and workshops, exchange of crime fighting techniques, shooting exhibitions, police bands, marching, sporting and entertaining.

COSTELLO EQUIPMENT: Mr. Harter, sale representative for Costello Equipment, attended the meeting so as to meet the Members of the Council and advise them of his line of heavy equipment, which also includes the Allis Chalmers Equipment. He was informed by the Council of the used machinery that the M.D. wanted to dispose of and the type of heavy equipment, this Municipality intends to purchase during the spring of this year.

FINANCIAL STATEMENT: Month ending January 31, 1967. Each member received a copy of the monthly statement which was read at the meeting by the Secretary Treasurer. Net Balance of previous month - \$107,908.03, Receipts for the month - \$39,695.73, Less Disbursements for the month - \$29,817.31, NET BALANCE at end of month - \$117,781.45. Moved that the Monthly Financial Statement as presented by the Secretary Treasurer be adopted.

PUBLIC WORKS: Each Councillor was provided with a copy of Mr. Stack's report which was read by the Secretary Treasurer. Moved that the Superintendent's report be received as submitted. Moved that the Public Works Superintendent be authorized to hire a gravel loader. Moved that the Council authorize the Shop Foreman and Road Foreman to attend the Union Tractor Technical School to be held March 16 and 17, 1967.

MOVED that the Council retain the legal services of Brownlee and Brownlee, for the following legal cases: Land Expropriation, Mobile Home License and, M. Moysey (Haven of Rest). Minutes of the Public Works Committee January 31st, were distributed to the Members and read at the meeting by the Chairmen of the Public Works Committee. It was Moved that the Council adopt the Minutes of the Public Works Committee meeting held Jan. 31, 1967.

BY-LAW 32-67: 3 readings were given this by-law WHEREAS, the Alberta Association of Municipal Districts proposes to construct an office building in the City of Edmonton, Province of Alberta, in order to facilitate the conduct of its business and activities for and on behalf of Municipal Districts and Counties throughout the Province of Alberta, and to finance the construction of said office building with funds to be obtained by way of grants of aid made by Municipal Districts and Counties pursuant to the authority of Section 295 (1) (b2) of the Municipal District Act, a by-law of M.D. #90 is to be enacted as follows:

1. A grant of aid is hereby made to The Alberta Association of Municipal Districts for the purposes hereinbefore recited, such grant to be in a sum equal to three-tenths of a mill on the net total equalized assessment of land, buildings and improvements of the Municipal District of Sturgeon No. 90 for the year 1966.

2. That the amount of the aforesaid grant of aid shall be paid to the Alberta Association of Municipal Districts upon the said Association notifying the Secretary Treasurer of the Municipal District of Sturgeon No. 90, that the Association is prepared to let a contract for the construction of the said Office Building. EQUIPMENT: Council of the Municipal District of Stur-

geon No.90 approved purchase of the following described pieces of road construction equipment: One New Caterpillar Model No. 8 Ripper Arrgt 5 J 4568 installed - \$5,828.00. One New Caterpillar Model 183 Hydraulic Control Unit, Arrgt 5 S 6602 installed - \$2,672.00. TOTAL \$8,500.00.

FARM PURCHASE APPLICATIONS: Council approved 2 applications: N.E. 11-54-24-4 - Purchaser David Fokema, Purchase Price \$32,000, and N.W. 25-55-27-4 - Purchaser Henry Kaup - Purchase Price \$10,000.00

AGRICULTURAL SERVICE The recommendations of the Service Board Meeting held February 7, 1967, were reviewed by the Council. Mr. Bergevin was interviewed by the Council in regard to his

position as Agricultural Field man. He was questioned as to his relations with the former Assistant Agricultural Fieldman and the District Agriculturist. The Council indicates that there seemed to be poor relation, communications and possibly misunderstanding between the parties above mentioned.

MOVED that the Council advertise for applications to be submitted to the Secretary Treasurer for the positions of Agricultural Fieldman and Assistant Agricultural Fieldman. MOVED that the Council authorize the Agricultural Fieldman to apply for a license for Pesticides Applicators. MOVED that the meeting adjourn at 5:00 p.m. and to reconvene at 10:00 a.m. Feb. 17, 1967.

Bakefest coming for young cooks

The Morinville Co-op Association is sponsoring a baking contest for all young cooks between the ages of 8 to 18 years on March 18th, the Morinville Co-op Store. Named the Food Fun Fair contest for young people, cash awards of Seven and Three Dollars will be awarded to the winners. The local winner will go to the Regional Bake Off contest to be held in Edmonton, during the Easter holidays. The Edmonton contest winner

will then go on to the Banff School of Fine Arts for a four day holiday all expenses paid.

This contest is open to all boys and girls of the district. To be eligible, the contestant must purchase a Food Fun Fair cook book for the recipes to be used in the contest. In return, the contestant will receive a five lb. bag of flour FREE, and must present the label off the flour for entry in the baking contest.

All entries must be delivered to the Morinville Co-op Store by 12:00 noon, judging will begin at 1:00 p.m. and those who will judge all entries are: Miss Doreen Strywadka, Miss Judy Murta, both from the Dept. of Agriculture, and Mrs. Anne Maslyk of Morinville.

All entries will be on display during the afternoon at the Co-op Store.

Lots of action at Morinville review

Skidoo races proved a popular addition to the annual Ice Revue program, sponsored by the Morinville Lions this year.

In all, 17 entries were registered in competition. Twelve men took part in the three minute laps in three different heats.

Top winner was Art Perrott of St. Albert; Dave Hurgitt, R.C.M.P. from St. Albert placed second; Chester Bardach, Station "D" Edmonton, won third and Robert Craig of Morinville placed fourth in the final competition.

Five ladies took the field course with its eight sharp turns. Mrs. Marcel Kremer of Legal won top honours; with Mrs. Tom Houle of Morinville a close second; Mrs. Karen Hodgson, Mrs. Glenda Hurgitt and Miss Viviane Soetaert also made good time in their total three minute laps in two different heats. Lion Art Soetaert and Lion George Soetaert in charge of the skidoo races, stated that only regular stock motors were allowed in competition. A very thrilling demonstration was made by two skidoos with modified motors, but these were not allowed to compete in the regular races.

Some 52 girls and 2 boys took part in the two performances of the Ice Revue at the Morinville Arena. A program consisting of 18 selections this year were Miss Sharon Wiley (in charge of the practice sessions), Miss Cyrene Gibeault, Miss Grace Morris and Miss Pauline Borle. The group formations had colourful costumes of red, white and blue. Several duets were very popular with the audience and the clowns had the crowd laughing during each appearance.

Lion President, was the M. C. for the evening. He thanked Miss Wiley and her mother Mrs. Mary Wiley and members of her committee for the work involved in preparing the Ice Revue. Lion Governor Arthur Stapleton, and Lioness Rhonda were also present.

A Broomball game between the Lions of Morinville and the Old Monarchs of St. Albert proved a very lively contest. St. Albert scored twice, hon-

ours going to Lion John de-Bruin for the first goal and to Lion Gordon Townsend for the second. The only casualty of the evening was Lion Louis Chalifoux of Morinville, who suffered a shoulder injury in a fall on the ice during the ball game. The old Monarchs proved more agile or lucky than our local young Lions by winning 2 - 0 against Morinville.

It was a fine effort on the part of all, who contributed to the 1967 Ice Revue and Ice Carnival. The Morinville Lions are grateful to all the mothers and ladies who helped last Saturday, and especially Mrs. Mary Wiley for her wonderful work.

Both Miss Sharon Wiley and Mrs. M. Wiley were presented with bouquets of flowers as a token of appreciation for their donations of time and effort to make this 1967 Ice Revue a success. The bouquet was presented from the Morinville Lions and children who took part. "Thanks for the lift," remarked the movie queen as she left the plastic surgeon's office.

On Thursday, March 9 a meeting was held in the Namao Community Hall to discuss bringing natural gas to Namao district. Thirty-some farmers of the Gibbons area last year formed the North Edmonton Gas Co-op Ltd., and are being served with gas. A discussion as to whether Namao farmers should join this Co-op or form one of their own took place. All persons interested in having their farms connected to natural gas this season are asked to be at the meeting to be held March 16th in Namao Hall.

In play-off games at Legal the Namao Senior Hockey team was the champion of the Sturgeon Senior B League after defeating Gibbons 4-2 and 4-3. Gene Gauthier received the trophy for the highest league scorer.

The Namao Pee Wee team will compete with Redwater in a final game to be played in Namao, for the Johnny McDonnell trophy in the Highway 28 league. In two games played at Fort Saskatchewan and Redwater Namao won one game and lost the other.

Leslie Crozier and Hal Booth played with Lancaster Park Allstars against St. Albert at Fort Saskatchewan and were defeated 13-10 in a two game total point series. Namao Bantams defeated Bon Accord by a 9-6 score in an exhibition game at Namao March 12th, and the Namao Seniors defeated Legal in an exhibition game March 7th by a score of 7-4.

At the March 2 meeting of the Namao F.U.A. held at the home of Mr. and Mrs. Harold

Clark, Mrs. Gladys Gibson officially took over the job of Group Leader of the F.U.A. M.S.L. which had been previously held by Mrs. Rita Crozier. A motion was passed at the last meeting that each member of the group M.S.L. be requested to pay by the year as of July 1st, if at all possible to simplify the book work involved. Please contact Mrs. Gibson if you have any questions regarding this change.

A discussion was held regarding subscribing for Blue Cross insurance through the group plan. It was decided that each member study the information given to him so that a decision may be made as to whether a group should be formed or not at the next meeting to be held at the home of Mr. and Mrs. G. Okerman on April 6th.

Namao 4-H clubs are busy preparing for a mammoth Centennial 4-H Jamboree to be held in the Edmonton Gardens on the evening of April 22nd. It is being put on by the Edmonton 4-H Regional Council with every 4-H member of the counties of Strathcona and Stony Plain and the Municipality of Sturgeon taking part. Approximately 500 boys and girls will participate.

A pageant will depict Canada's history over the past 100 years. 4-H clubs from all parts of Alberta are planning to attend. Scores of young

people will be travelling hundreds of miles and for some will be their first visit to the capital of the province. It is hoped that these youngsters will long remember that they celebrated Canada's 100th birthday in this manner as indeed it is a gigantic birthday party. There will be a candle lighting service and each person will be given a piece of birthday cake, made and donated by the 4-H clubs of the Edmonton Regional Council. Booklets will be given out as souvenirs. The visiting clubs from far away points will be guests for one or two nights at the homes of the hosting 4-H members.

All former 4-H ers and interested persons are asked to make known their desire for tickets early by contacting any 4-H member or leader. Hope to see you at the pageant.

Young Murray Speers has been hospitalized after breaking his leg while playing at school.
